

1. How K-LOVE serves me as a resident of the local community by local info re: events, services, & news.
2. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would take away my right to listen to specific christian programming and music.
3. Why you believe that the service provided by K-LOVE is in the public interest. K-Love provides more than music, such as daily tid bits of info, public info, awareness, local events that have the public in mind, overall stable moral values.
